Rules for Expo Spring National & Antique Tractor Pull

- Driver must be 18 years of age or older. Drivers under 18 years must have parent's written consent.
- Excessive consumption of alcoholic beverages will be grounds for disqualification.
- Foul or abusive language will be grounds for disqualification.
- Driver must be firmly seated in the seat at all times, in a forward or normal upright position, no bouncing permitted. Driver must have at least one hand on the steering wheel, except when operating brakes on hand models.
- Tractors must be operated in a safe manner at all times. Speed is not to exceed 4 mph off the track.
- Agricultural tractors only must be of the two-wheeled drive type, no industrial or construction tractors.
- All fans, PTO, or exposed moving parts must be shielded as by manufacturer. Tractor must have working brakes.
- No dual wheels, tire chains, or steel wheels will be allowed to pull. Radial tires are not allowed. Cut tires allowed.
- Tractors are to be naturally aspirated. Blowers are not permitted. No fuel injection or gas under pressure after carburetor is allowed, unless factory equipped. Oliver 99 with G.M. diesel allowed.
- All weights must be stationary and safely secured to the tractor. No weights chained to the seat. If anything should fall from the tractor (weights or parts) while hooked to the sled, disqualification will result.
- Front weights shall not exceed 11 feet from center of rear axle.
- The driver must start with sled chain tight. You are allowed 20 ft. or two tries to move the sled, or whichever comes first.
- If at any time, any part of the tractor goes out of the side boundaries the pull distance will be measured from that point. This will be strictly enforced.
- The hitch point can be no higher than 20 inches from the ground. And no closer than 18 inches from the center of the rear axle to the hitching point. The drawbar must not interfere with the chain or hook. Drawbar must be rigid in all directions. 3" minimum round hole and hook must swing freely.
- Each tractor will be allowed one hitch per class.
- Tractors shall pull in the order that they are registered (by drawing for positions). There will be no waiting. If the tractor is not in the order, it will pull as soon as possible in the class.
- Tractor must stop immediately upon the red flag signal from the judge or be disqualified. If the tracks judge stops the puller for any reason, the puller takes the distance where he was stopped.**
- No one is allowed on the track, except the officials and the puller.
